work experience

Recruitment Supervisor - NHS

Assisting managers within the trust with their recruitment process. Helping them to place adverts on NHS Jobs, assisting with any queries, and to begin the recruitment process for their successful candidates.

University Hospitals Birmingham NHS Foundation Trust
Jul 2018 - Current

Recruitment Coordinator - NHS

I was responsible for taking successful candidates through the recruitment process. Processing their ID documents, applying for any necessary DBS checks and seeking out references from their previous employment. I was responsible for around 100 candidates at any given time.

University Hospitals Birmingham NHS Foundation Trust
Mar 2018 - Jul 2018
